# Sophomore (FAS), First Year Professional, and Transfer Applicants

Holders of the Lebanese Baccaureate or its equivalent (French Baccaureate, International Baccaureate, GCE, etc.) qualify for consideration for admission to the sophomore class at AUB. Admission to the sophomore class is based on a composite score generated from SAT Reasoning scores (Critical Reading and Mathematics) and standardized school averages for grades 10 and 11. Standardization of school grades is based on class size, rank (if available) and average of applicant compared to class average. Since admission is competitive depending on the major sought, applicants are urged to apply to more than one faculty (up to three faculties) and to more than one major per faculty (up to three majors if available). It is also advisable that applicants take the SAT more than once so that their chances of being admitted may improve.

An applicant may be offered admission to more than one major (one major per faculty) and must decide upon one choice of major by the end of June.

**An applicant may not apply to more than three faculties and up to three majors per faculty, please indicate your order of preference (Major No. 1 is your first choice).**

### Choices

The deadline for receipt of additional/missing syllabi is end of May, after which no equivalence will be given for courses.
