

**CIRCULAR IB & A.P. No 39/AY 16-17**

January 23, 2017

Dear Parents/Guardians of 10A.P. Students,

This is to inform you that Sagesse High School is starting reinforcement sessions in math SL for 10A.P. students as of Saturday, January 28, 2017.

The session will be offered once a week on Saturdays from 9:00 until 10:30 a.m. and will accommodate a maximum of 10 students.

**The cost for the whole session is \$150 per month which should be paid at the accounting's office by Thursday, January 26, 2017.** It is worth mentioning that students will be registered on a first come first serve basis.

Parents who wish to register their son/daughter are kindly asked to fill in the reply form and have their son / daughter return it to the floor supervisor by January 25, 2017. Parents are kindly requested to provide transportation for their son/daughter on Saturdays.

**It is worth mentioning that while SHS is offering this service to its students it is by no means a guarantee that enrolled students will pass or overcome their weaknesses especially if they are not serious, refuse to cooperate and do not show commitment to their work and studying.**

Best regards,

Lady Maalouf  
IB & A.P. Coordinator
