**Course Selection Sheet**

Dear Parents,

SHS recognizes the diversity of our students’ language profile and, therefore, in the Secondary Division the students will have the opportunity to learn a new language or to continue with the language they studied in the Intermediate Division.

Kindly take note that Languages at this stage are taught as cycles. This cyclic alignment ensures that students learn the language properly and efficiently. The cycles are:

- Cycle 1: Intermediate Division
- Cycle 2: Secondary Division

Cycle 2 is a 2-year-program that starts in Sec I and ends in Sec II. Students are advised to complete the cycle in a particular language before shifting to another language. Students who wish to shift to another language in the middle of a cycle must fill a Drop & Add request form.

One to three levels are available in each language. A minimum of 5 students is required to run a course. Students, who do not meet the requirements of any of the languages levels offered, should take private tutoring. It is worth mentioning that in such a case, the school might offer a course for those students with additional fees.

New students will have to sit for a diagnostic test that will determine their level.

Kindly select **one** of the languages listed below by marking the box ✓
