Yasmina Saliba

Hello! My name is Yasmina Saliba and I am a co-chair of the UNHRC at SHSMUN'20. I'm 15 years old and this is going to be my first time chairing. So we will do our best to make this conference amazing and unforgettable. I'm very passionate about art and I sometimes draw in my free time. I've also been dancing ballet for almost 10 years now and it's become a big part of who I am today. My co-chairs and I have worked really hard on making this conference as interesting and entertaining as possible, and I know that we're going to make so many memories as a committee, while improving everyone's debating skills and knowledge. I hope to see you all there!

Jennifer Azzi

Hello! My name is Jennifer Azzi and I am co-chairing the Human Rights Council Committee. I am a 10th Grade student at Sagesse High School and would love to major in something related to the scientific or political field. Ever since I was young, singing was my hobby. Also, I am a basketball player and I am so passionate about this sport. Throughout the years I have attended many national and international conferences but it will be my first time chairing! Looking

forward to meeting you all and, most importantly, to experiencing a successful and fun conference together.

Christina Sebaaly

My name's Christina Sebaaly, and I will be chairing the UNHRC committee for this year's conference alongside two phenomenal individuals, Yasmina and Jennifer, to seal the end of my high school MUN journey with the most memorable conference ever. I'd like to tell you a little bit about me; I am a senior IB high school student, a martial artist, and a pianist, and MUN has shaped and oriented me since my first year of high school. I am also proud to be the first SHS student to chair at an international conference, making this my second chairing experience. I make the best out of everything and am optimistic by nature. That being said, on behalf of my co-chairs and myself, we look forward to meeting you soon- let's make UNHRC the best conference committee delegates! I yield the floor to my other colleagues.
