### Gorune Kazarian

My name is Gorune Kazarian, and I'm 15 years old. I'm Armenian but I have been living in Lebanon since I was born. I have been participating in MUN conferences for about 4 years now and I have been to different conferences around 15 times. I have travelled to Italy, Greece, and Netherlands to participate in MUN conferences. MUN has been one of the greatest and most influential experiences of my life. On a personal level, I really like playing basketball in the point guard position and my favourite team is the Lakers. My favourite sport to watch is football because of the intensity and my favourite team is Chelsea, while my favourite national teams are Armenia and Iceland. I play a lot of videogames such as Fifa, NBA2k, and call of duty during my free time. All in all, I am really looking forward to this year's MUN conference especially because I am a cochair.

Serge Raphael

Fellow advocates and justices, always remember that “Justice delayed is Justice denied.” I am honored to chair for the first time in the history of the SHSMUN conferences the International Criminal Court! For me, it is the most outstanding team there is, since without it, there is no justice, and without justice there can be no peace. Debating politics and International law is my passion, plus I enjoy playing the piano as I try to survive my IB years. I hope to be very fair, neutral and unbiased during the conference, and I expect you all to participate with enthusiasm and excitement. Together, let us make SHSMUN’20 a memorable one. See you!
