### Firas Haddad

Hello,

My name is Firas Haddad and I will be chairing the UNHCR committee this year alongside Alessia Romano. It honors me to be chairing a committee in which the resolutions we pass will be sent to and considered by the UNHCR, so I advise all of you to think and work beyond an A4 paper called “award” and to really put your efforts into passing resolutions that are tangible and of potential help to the global refugee crisis. Lastly, I look forward to meeting you all in the council and hopefully having a fruitful debate

### Alessia Romano

Hello delegates,

My name is Alessia Romano. I’ve been going to SHS since Grade 6 and now i’m in Grade 10. I’ve been in MUN for the past 4 years and attended many national conferences including one international conference. I love to indulge in various activities, some include swimming and volleyball. In addition, I am looking forward to co-chairing the UNHCR committee alongside Feeras Hadaad at the SHSMUN ’20.

Hope to see you all there!
