Christia Daoud

Tia Nassar

Hi delegates! My name is Tia Nassar. I have been at Sagesse for the past 10 years, and I am a senior. This is my first time chairing a conference, and I can't wait for that to begin. I have been in MUN since the 7th grade. Each MUN conference I have gone to has been a new, unforgettable experience, and I have no doubt that this will be my favorite one. Besides MUN I have many hobbies like playing the piano, dancing, going to the gym, and swimming. I will be co-chairing the WHO this year alongside Pierre Mrad and Christia Daoud. I am counting on all of you to make my last MUN experience an amazing one. See you soon!

Pierre Mrad

Hello delegates. My name is Pierre Mrad, I have been in SHS all my life now and I am currently in Grade 10. I have been in MUN for four years and I have attended 13 national conferences and two international ones. I enjoy doing many activities including running and going to the gym. In addition, I like going to the beach and swimming from time to time. I'm looking forward to chairing the WHO committee with my fellow co-chairs, Tia Nassar and Christia Daoud at SHSMUN '20.

See you all there!

Christia Daoud

I'm Christia Daoud, and I'm sixteen years old. I enjoy doing various activities such as swimming and watching movies, but one of my favorite things is MUN. When I first started MUN I became tremendously fervent about it. Throughout several conferences I made some truly amazing friends since MUN is a platform for delegates to deliberate and convey their distinctive ideas about social, economic, and political topics. I am an exceedingly discreet person, but after numerous conferences, I compelled myself to be more outgoing—to be valiant enough to express my own ideas and I ended up loving every minute of it. It challenged me to take leadership, since I had always been the more passive type; MUN built a leader out of me and I couldn't be more thankful for that.
